

Introduction

Thank you for purchasing South Park™: The Fractured but Whole™ RC Coon Mobile by Ubisoft Inc.

As the world plummets into despair. The Coon fights to keep order intact. Your RC Coon mobile is a device controlled unit that can say twelve sentences while you move from place to place. It can turn, spin, move forward or backwards. Fight crime, be the symbol of your town and be the hero every town needs. With your RC Coon Mobile, South Park™ is safe, until next time!

Take a few minutes to look through this user manual.

Please note the following when operating South Park™: The Fractured but Whole™ RC Coon Mobile:

- Do not immerse RC Coon Mobile or any parts in water or any other form of liquid.
- Do not drop, throw or kick RC Coon Mobile as this may damage mechanical functions.
- Do not allow the tricycle to roam freely or leave unattended near edges from which RC Coon Mobile could fall.

Battery Information

Installing or changing batteries in South Park™: The Fractured but Whole™ RC Coon Mobile:

1. To change the batteries, carefully hold RC Coon Mobile upside down. Do not place RC Coon Mobile where it could easily fall. RC Coon Mobile requires 4 x “AA” size batteries (not included).
2. Use a screwdriver (not included) to remove the screw on the battery compartment cover located on the bottom of the RC Coon Mobile.
3. Insert the batteries according to the diagram. Ensure that the positive and negative polarities match the illustrations inside the battery compartment.
4. Replace the battery compartment cover and tighten screw using the screwdriver. Do not over-tighten.

Important Battery Information:

- Use only fresh batteries of the required size and recommended type.
- Do not mix old and new batteries, different types of batteries or rechargeable batteries of different capacities.
- Please respect the correct polarity, (+) and (-).
- Replace all batteries of the same type/brand at the same time.
- The supply terminals are not to be short-circuited.
- Remove exhausted batteries from the RC Coon Mobile.
- Remove batteries if the RC Coon Mobile is not going to be played with for some time.

Low Battery Indicators:

When the batteries grow weak, RC Coon Mobile will start to move slowly. When this occurs, power OFF and replace all batteries.

Care & Maintenance

- 1) Keep the unit clean by wiping it with a slightly damp cloth.
- 2) Keep the unit out of direct sunlight and away from any direct heat source.
- 3) Remove the batteries when the unit is not in use for an extended period of time.
- 4) Do not drop the unit on hard surfaces, and do not expose the unit to moisture or water.

Troubleshooting

If for some reason the activity stops working or malfunctions, please follow these steps:

1. Check that the Bluetooth function on your smart device is turned on. If you are still having difficulties, try restarting both RC Coon Mobile and your device.
2. Turn the unit OFF, using the power switch located on the bottom.
3. Interrupt the power supply by removing the batteries.
4. Let the unit stand for a few minutes, then replace the batteries.
5. Turn the unit ON. The unit should now be ready to play again.
6. If the product still does not work, replace with a new set of batteries.
